

Victorville Christmas Parade 2014

Saturday, December 6 at 10 a.m.

Kiwanis Club of Victorville is excited to bring the High Desert the 2014 Victorville Christmas Parade on December 6.

The parade has been a family destination for decades and this year will be an exceptional celebration honoring our local heroes.

The 2014 theme **“A Christmas Morning”** will feature floats and entries themed to represent family traditions, scenic depictions, and fun activities in the Victor Valley.

The parade illustrates local partnerships through sponsorships and activities available. The parade is a large, community driven program and Victorville Kiwanis depends upon on the great relationships with the City of Victorville, Victor Valley Global Medical Center, committee members and other supporters to make this year a huge success.

Parade route starts at 7th and La Paz and ends at Mojave Drive.

We look forward to seeing you there!
